SmartSeal terminals
1/2 "Hy-Gear i 9/16" Hy-Gear
Pow'r gear clamps
WaveSeal terminals
Non-perforated terminals
Zaciski Flex-Gear
V-Band, V-Clamp

### EU REACH

TRIDON CLAMP PRODUCTS (TCP) certifies compliance with the provisions of the requirements of Registration, Evaluation, Authorization and Chemical Restrictions for all metal products manufactured in Poland listed above.

Directive (EC) 2011/65/EU (RoHS III), (this also applies to the "Chinese RoHS Directive")

Regulation (EC) No 2000 / 53EG ELV / End-of Life Vehicles Regulation

Regulation ((EU) No 528/2012 (BPR))

Regulation (EG) No 2002/96/EC (electrical and electronic waste/WEEE),

Rozporządzenie nr 2015/863 / UE (DEHP, BBP, DBP, DIBP)

Regulation (EC) No 2023/2006/EC (manufacturing practice for materials...)

Regulation (EC) No 2037/2000 (substances that deplete the ozone layer),

Regulation (EC) No 842/2006 (fluorinated greenhouse gases),

Regulation (EC) No 850/2004 (persistent organic substances),

Regulation (EC) No 1907/2006 (REACH) - with the existing lists of substances prohibiting Annex XIV and

Annex XVII) last updated on 19.01.2021 (211 substances) / last updated on 2021.07.08

(219 Substances) / REACH (SVHC) REACH Declaration, Article 33

- TCP products do not contain any substances above the permitted thresholds listed in Regulation (EC) No 1907/2006 of 18 December 2006 of the List of Substances of Very High Concern (SVHC) in Annex XIV (list of 219 substances updated on 08.07.21).
- TCP products comply with the restriction requirement of REACH Regulation (EC) No 1907/2006 for chemicals listed in Annex XVII.

#### **EU POP**

TCP does not contain any chemicals considered to be PODs, persistent organic pollutants, EC850/2004 and amending Directive 79/117/EEC.

#### **EU BIOCIDES**

TCP certifies that biocidal products are not used in quantities exceeding the notifiable requirements in packaging products or materials and comply with the requirements set out in the Biocidal Products Regulation ((EU) No 528/2012 (BPR)).

#### **ASBESTOS**

TCP certifies that asbestos is not used in processing or contained in any of its packaging products.

#### **(M) SDS**

We classify our products as "articles" and are exempt from the requirements of **(M) SDS**. **IMDS** are available on request for customers in the automotive industry.
