EU REACH

TRIDON CLAMP PRODUCTS (TCP) certifies compliance with the provisions of the Registration, Evaluation, Authorization, and Restriction of Chemicals requirements for all Poland made metal products listed above.

- TCP products do not contain any substances over the allowable thresholds listed by the Regulation (EC) No 1907/2006 of the Annex XIV list for Substances of Very High Concern (SVHC) (substances list updated 08.07.21).
- TCP products meet the restriction requirement of REACH Regulation (EC) No 1907/2006 for chemicals listed on Annex XVII.

EU POP

TCP do not contain any chemicals considered to be POP, Persistent Organic Pollutants, EC850/2004 and Amending Directive 79/117/EEC.

EU BIOCIDES

TCP certifies that biocides are not used in excess of reportable quantities in products or packaging materials and meet the requirements set forth in the Biocidal Products Regulation ((EU) No 528/2012 (BPR)).

ASBESTOS

TCP certifies that asbestos is not used in the processing of, or contained in, any of its products or packaging materials.

(M)SDS

Our products classify as “articles” and are exempt from **(M) SDS** requirements. **IMDS** are available upon request for automotive customers.

This information is based upon a reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided to us by our suppliers. For more information on these regulations: www.guidance.echa.europa.eu
